

# Be a Star!

## Your Child's Name Can Be a Part of *Story Time Magic*

As part of our Playing the Long Game Comprehensive Campaign, The Magic House created a new 5,000-square-foot interactive exhibit, *Story Time Magic*, that brings stories to life through play and imagination.

Part of this exhibit includes a "green room" where children get ready to bring their stories to life on stage complete with dressing tables, costume carts, prop boxes, a rehearsal stage and features a Wall of Stars.

Through a tax-deductible gift, your family can be a permanent part of this exhibit when you add your child's name to the Wall of Stars. Your child can add their signature to a star that will hang in the green room—just like the real stars do!

**Gift Amount:**

**\$1,000**  
9" Signed Star

**\$500**  
7" Signed Star

Yes, I would like to add my child's name to *Story Time Magic* and support the Museum's Playing the Long Game Comprehensive Campaign.
